

**TOWN OF GHENT
COUNTY OF COLUMBIA
STATE OF NEW YORK**

**REQUEST FOR PROPOSALS TO DESIGN, FURNISH, AND INSTALL HIGH SPEED
INTERNET SERVICE TO UNSERVED STREETS IN THE TOWNS OF GHENT,
AUSTERLITZ, CANAAN, AND NEW LEBANON**

PLEASE TAKE NOTICE that the Town of Ghent, Columbia County, New York, hereby requests proposals for the design, furnishing, and installation of high speed fiberoptic broadband internet service to the areas and streets specified herein and located in the towns of Ghent, Austerlitz, Canaan, and New Lebanon, in accordance with the following:

1. General Conditions.

- a. Each respondent is responsible for reviewing and understanding all terms of this Request for Proposal (the "RFP"). Failure to thoroughly examine or request clarification on RFP terms may result in disqualification.
- b. Any bid may be withdrawn at any time prior to the due date with a written request signed by the authorized respondent representative. Revised proposals may be submitted up to the original due date/time.
- c. Issuance of this RFP and receipt of proposals does not commit the Town of Ghent to move forward with an award or complete the project described. Town of Ghent reserves the right to postpone the RFP award process, to accept or reject any or all proposals received in response to this RFP, and to modify the scope of the project at any time.
- d. An award under this RFP may not be based solely on the lowest price but will be made to the respondent with the overall best value proposal. The successful proposal will meet the project design guidelines and provide a level of service acceptable to the Town of Ghent in its sole discretion.
- e. Upon award, successful respondent shall secure all appropriate licenses and approvals as may be necessary to complete the scope of work included in this RFP.

2. RFP Schedule.

- a. Proposals are due by **March 1, 2022 at 2:00 p.m.** This timeline may be modified at the discretion of the Town of Ghent. An addendum will be issued in the event of any scheduling changes.

3. Request for Information.

- a. Please submit questions to the Ghent Town Clerk via email addressed to:

mradley@townofghent.org. All questions and responses will be shared with all bidders.

4. Project Objectives.

- a. Provide highspeed fiberoptic broadband internet access and deliver such service to the areas and streets specified herein and located in the towns of Ghent, Austerlitz, Canaan, and New Lebanon (the "Project").
- b. Maximize broadband internet access with the towns of Ghent, Austerlitz, Canaan, and New Lebanon.

5. Project Description.

- a. The project area is located within the towns of Ghent, Austerlitz, Canaan, and New Lebanon and specifically includes the roads identified in the attached Schedule A incorporated herein (the "Project Area").
- b. The Project shall include the installation of fiberoptic cable and all network upgrades necessary to deliver highspeed fiberoptic broadband internet to the Project Area.
- c. The minimum number of homes to be served by the Project are listed on Schedule A by road.
- d. Respondents are encouraged to propose and include contiguous areas to those listed on Schedule A such that the Project is expanded to reach more residences and/or businesses, and more roads even in the absence of existing residences and/or business, at minimal additional cost. Specially, respondents are encouraged to include the additional roads and addresses listed on the attached Schedule B incorporated herein.
- e. The selected respondent will install fiberoptic cable and maintain and operate highspeed fiberoptic broadband internet services serving the Project Area for at least 20 years following completion of the Project. During such period, the selected respondent must agree to post service outages on their website with regular updates on when service will be restored, provide customers with reimbursement or credit for periods of service outage, and establish a consumer-friendly procedure for customers to provide notice of an outage.

6. Scope of Work.

- a. The goal of this RFP is to identify a highspeed fiberoptic broadband internet installer and provider with the necessary experience to ensure a fully managed and well executed process. The successful respondent will have demonstrated experience designing, planning, scheduling, permitting, constructing, and operating a highspeed fiberoptic broadband internet network.

- b. Respondents shall be responsible for all permitting.
- c. Respondents must have familiarity with all applicable regulations.
- d. Respondents must have established onsite safety standards.
- e. Respondents shall be responsible for construction and operation a highspeed fiberoptic broadband internet network to service the Project Area.
- f. Respondents shall provide as part of their proposal a description of their installation process and continuing customer service.
- g. Respondents shall provide as part of their proposal a marketing plan to notify the residents and businesses in the Project Area that broadband is coming and how those newly served addresses will be able to sign up.

7. Design Guidelines.

- a. Respondent should consider the following guidelines when designing the highspeed fiberoptic broadband internet network.
 - i. The respondent shall develop a design for installation of fiberoptic cable and delivery of highspeed fiberoptic broadband internet service to the Project Area.
 - ii. Whenever possible, the system shall be constructed utilizing fiberoptic cable all the way to the home or business. When such is not possible, the system may be constructed utilizing fiberoptic cable the nearest pole and coaxial cable from the pole to the home or business. Preference will be given to respondents running fiberoptic cable all the way to the homes or businesses in the Project Area.
 - iii. The system shall provide minimum download speeds of 100 Megabits per second.
 - iv. The system shall provide minimum upload speeds of 10 Megabits per second with preference given to symmetrical upload/download speed construction.
 - v. The system shall be designed and constructed such that it is upgradeable to speeds of 1 Gigabit per second or more without the need for new or additional cable or any other infrastructure upgrades.
 - vi. It shall be permissible, however, for delivery of such higher speeds to require improvements to the carrier's facility or upgraded end use equipment at the customer's premises.

- vii. The proposal total shall be inclusive of any make ready work, such as utility pole permits, replacement, or special construction requirements.

8. Costs of Construction and Services.

- a. Installation costs to customers shall not exceed \$50.00 for distances under 250 linear feet.
- b. For distances greater than 250 linear feet, respondents shall specify the cost to be charged per linear foot.
- c. Proposals shall breakdown the cost of the Project as follows:
 - i. Total Amount for all Project work;
 - ii. Amount per street served;
 - iii. Breakdown of price showing total cost and amount respondent expects to be reimbursed.
- d. It is understood that the successful respondent will gain new customers and preference will be given to the proposal that most thoroughly recognizes the new revenue to be generated by the Project for the successful respondent and reduces the upfront costs of the Project accordingly.
- e. The successful respondent will be paid on a schedule to be negotiated between the parties based on the timeline for distribution of those funds awarded to the towns for the Project, timeline for start of construction, progress of construction, and timeline for completion.
- f. Respondents shall provide as part of their proposal a price list for the services to be offered by the respondent on the network and shall guarantee those prices for 24 months following completion of the Project and commencement of services on the network.

9. Timeline for Construction.

- a. Proposals shall include a construction estimate from grant of contract to completion with a schedule of penalties to be imposed if construction deadlines are not met.

10. Additional Requirements.

- a. All work to be completed in a workmanlike manner.
- b. Prevailing wages to be paid.
- c. Proof of appropriate insurance naming the towns of Ghent, Austerlitz, Canaan, and

New Lebanon as additional insures must be provided.

- d. Responding parties must be authorized to do business in the State of New York. In addition, responding parties shall possess and maintain all professional licenses and/or certifications required to perform the tasks undertaken in connection with the work described herein.

11. Proposal Format.

- a. Please include the following sections in your proposal submittal in the following order.
 - i. Cover/Transmittal letter: Cover letter must be addressed to the Town of Ghent and signed by a legally authorized representative of the respondent. Cover letter must summarize key provisions of the proposal and must include name, address, phone, and email of the respondent contact.
 - ii. Executive Summary: Include key provisions of the proposal, including understanding of the goals, pricing, respondent's role on the Project, brief description of proposed network, relevant experience of respondent, and key timeline dates.
 - iii. Company Profile: Years in business, description of respondent's background, applicable state licensing, OSHA background and safety protocol, Insurance, Quality Assurance/Quality Control documentation.
 - iv. Project Team: Organization chart and bios (length of time with firm, key projects) of key team members, capability to perform work/workload capacity. Please only profile individual that will directly be working on the Project. Clearly identify the project manager.
 - v. Technical Solution/Scope of Work: Describe your technical approach to the design and construction of the Project.
 - vi. Price Proposal: Provide a cash purchase price for the Project with breakdowns as described in Section 8 hereof.
 - vii. Safety – Please include a brief description of your safety practices as well as the OSHA Reporting Indicators for the last 3 years.
 - viii. Proposed Schedule – Identify key Project milestones and include any necessary review periods for the Town of Ghent.

12. RFP Submission Guidelines.

- a. Responding parties must furnish a signed, dated, and written proposal, accompanied

by a Certificate of Non-Collusion, to the Ghent Town Clerk on or before **March 1, 2022 at 2:00 p.m.** Proposals may be submitted in electronic or hard copy.

13. Selection Process.

- a. All proposals will be submitted to the Ghent Town Board for its review. The Ghent Town Board shall have complete discretion to reject any proposal that does not meet the required specifications or to reject all proposals for any reason, should the Board deem the same to be appropriate.
